Entry of Anthem HealthKeepers Plus for Medicaid/FAMIS Programs into City of Lynchburg, and the Counties of Amherst, Campbell, and Appomattox - November 1, 2012

The purpose of this memorandum is to inform you of the entry of Anthem HealthKeepers Plus, a Virginia Managed Care Organization (MCO), for the Medicaid/FAMIS programs in the City of Lynchburg and the surrounding Counties of Amherst, Campbell, and Appomattox Effective November 1, 2012, Anthem HealthKeepers Inc., will be administering health care services to Medicaid, FAMIS, and FAMIS MOMS managed care eligible members in these areas along with Southern Health - CareNet, Optima Family Care, and Virginia Premier Health Plan.

Medicaid's MCO program began on January 1, 1996, as a managed care initiative of the Virginia Medical Assistance Program. As a result of multiple expansions, the current MCO program now covers Medicaid and FAMIS populations in all localities across the Commonwealth. Expansion of the managed care program has resulted in significant health outcome achievements that are detailed in the *Virginia Managed Care Performance Report 2011*, which may be viewed at http://dmasva.dmas.virginia.gov/Content_atchs/mc/apr-f6.pdf.

IMPACT OF MCO EXPANSION ON PROVIDERS

Each MCO is responsible for the development of its provider network. Providers are strongly encouraged to contract with the participating MCOs. This will allow you to continue serving the Medicaid and FAMIS managed care population. It will be helpful to your patients to advise them of the MCOs with which you are contracting so that they may continue to be seen by your practices.

If you have not already been contacted by the MCOs, DMAS encourages providers to contact the MCOs to begin the contracting and credentialing process. Please be aware that credentialing may take up to 90 days. If you wish to contract with the MCOs, please call:
